

Nursing Symposium

(09:00 – 12:30, 25 November)

Venue: Hong Kong Convention and Exhibition Centre

Nursing Symposium only: HK\$500
Nursing Symposium and Scientific Symposia HK\$1,500

Let's look into the future trend in perioperative nursing. It's worth exploring the directions in incorporating future development in anaesthesia with the perioperative nursing developments in promoting patient care. Extending nurses' roles in post anaesthetic care and providing quality care is also a topic that we should not overlook. Let's take a deep breathe and explore these issues in a 180 minutes journey.
