About Hong Kong

Time Zone

Hong Kong is eight hours ahead of Greenwich Mean Time.

Climate

Hong Kong has a sub-tropical climate. During the months of November there are pleasant breezes, with plenty of sunshine and comfortable temperatures usually range from 20°C to 27°C. It turns cool at the night time. Indoor is always with air-conditioning. For up-to-date information, please visit the website of the Hong Kong Observatory at www.hko.gov.hk.

Currency

The Hong Kong dollar (HK\$) is the unit of currency used in Hong Kong. One US Dollar is about HK\$7.8 and one Euro is about HK\$9 (subject to fluctuation). Most foreign currencies and traveler's cheques can be changed at banks, hotels and moneychangers.

All major credit cards are widely accepted in Hong Kong and can be used to obtain cash advances at banks and automatic teller machines (ATMs). ATMs can be found almost everywhere including the meeting venue, and provide 24-hour cash withdrawal (HK\$).

Electricity

The standard voltage in Hong Kong is 220 volts AC/50 cycles. The plug/socket system in Hong Kong is a 3-rectangular-pin type as is found in the United Kingdom

Sales Tax

Hong Kong does not have Sales Tax / GST / VAT.

Telecommunication

International direct dialing, internet and e-mail facilities are easily accessible in Hong Kong. Most of the mobile telephone systems used around the globe operate in Hong Kong.

Tipping

Most of the major restaurants add a 10% service charge, but you are still expected to leave a tip of between 5-10%, depending on how well you feel you have been treated. Taxi drivers tend to round up the fare to the nearest dollar and if not, will appreciate a little extra. Bellboys, porters and washroom attendants will also expect a small tip.
