Moments of Life in Anaesthesia

HONG KONG ANNUAL SCIENTIFIC MEETING IN ANAESTHESIOLOGY 2015

14 – 15 November 2015

Hong Kong Convention and Exhibition Centre

The Annual Scientific Meeting (ASM) in Anaesthesiology 2015 will be held on 14-15 November at the Hong Kong Convention and Exhibition Centre. With the theme of "One Step Forward" this year, we are proud to announce the first ever "Photo Exhibition & Contest" in the theme of anaesthesiology to be organized in Hong Kong.

The theme of the Photo Contest is "*Moments of Life in Anaesthesia*". There are a lot of unique and memorable moments in our daily life as an anaesthetist. Many of them are unique and authentic in our locality, and we would like you to capture them, to help our future selves and future generations remember these special moments. Whether you consider yourself a photographer or someone who just enjoys taking high-quality snapshots for fun, we want your photos! Photos related to daily work, science in anaesthesia, or anything you can think of tied to anaesthesia are all great ideas. Your creativity is the limit!

Awards will be given for the top 3 photos chosen by our panel of judges. Prizes are:
